Dedication

Dr. J. Carleton Stickney

For the past 45 years Dr. J. Carleton Stickney has served as Rutland High School's team physician. After playing both football and baseball for Rutland High School in the 1930's, Dr. Stickney came back to take care of the local teams. He has been a familiar sight on the sidelines ever since. His wet towels, bushels of apples, and encouraging words have been symbols of Rutland sports that have endured over the years. From the thousands of student athletes he has served over the years in programs where players and coaches come and go, and wins and losses are often forgotten, Dr. Stickney will always be remembered as a presence that remained constant.

Here Today

It is time for us to give you some thoughtful insight and prophetic words of wisdom. We would like to wish everyone the best of luck in their future endeavors. Each of us has accomplished a great deal in a wide variety of areas throughout high school. Success is eminent - but we cannot know what we will face when we enter the real world. What we can tell you, is that it is necessary to have a positive attitude and take chances, if you wish to achieve success beyond that of mere mortals. As we leave Rutland High School, we would like to share with you the profound thought of these wiser beings ...

"Whether you think you can, or you think you can't, you're right." - Henry Ford

"To defy the laws of tradition, is a crusade only of the brave." - Primus

The future's in the air, you can feel it everywhere,
and blowin' with the wind of change.
Take me to the magic of the moment of the glory
night,
where the children of tomorrow dream of wind,
In the wind of change.
Walking down the street, in distant memories are
blowin' in the past, forever.
From "Crazy World" by Scorpions

Seniors

Crayons and construction paper were replaced by computer graphics ... coloring in the lines turned to composing essays ... molding playdough changed to reading Plato ... walking to the bus stop turned to driving to school in the morning traffic ... and snack time strangely became crowded fifteen minute cafeteria lunches. Visions of yesteryears will stay with us and serve as a remembrance of the carefree life we once had. We have labored thirteen years for the privilege of wearing cap and gown to receive that final piece of paper. As each chooses a different path to follow, we must always remember the way things were in the "good old days."

Our Senior year has finally arrived and instead of making it my easy year, I've decided to make it an adventure. While I won't be with you physically, you're always in my thoughts. Best of luck to all our teams, the cheering squad, and all the other activities you do together as a class. Remember me throughout your studies as I study everything in Spanish. I'll miss you all and look forward to seeing you when I return home.

Co-Advisor Mrs. Birkenhead and staffer Crystal Caligiuri checking out the latest batch of photos from the RHS/MSJ game. Mrs. B. says, "Hey, #31 for MSJ is kinda cute!"

Co-Advisor Mr. Peterson and staffer Crystal Caligiuri, both new to yearbook, try to figure out the intricacies of setting up a page. Mr. P. wonders, "Is that an inkblot or a squished spider?"

Co-Editor-in-Chief Teresa O'Connor types senior blurbs. After a good belly laugh she turns to the staff and asks, "Can we print this ...?"

Talisman 1992

A Year Of Change Brought Us "Winds Of Change."

TALISMAN AD BLITZERS! 1992 Talisman launched its year with an Ad Blitz in September. The Ad Blitz for 1992 was the most successful ever. Area businesses bought nearly \$5000 in advertisement space; an investment we hope was well worth their while. Talisman 1992 wishes to thank the Ad Blitzers and local businesses for their support.

Photography Editor Laura Rowe checks a proof sheet of negatives in the dark room. This year's Talisman re-opened the darkroom and under Laura Rowe did most of the yearbook's black and white development.

Concert Choir

The Rutland High School Concert Choir has come a long way. On the first day of school, they didn't sound like a chorus. In fact, they didn't sound like much of anything. Today, they are singing four part harmonies with much success. They performed in the holiday concert, the All-City concert, and the Spring concert.

1992 Vermont All State Music Festival

The Vermont All-State Music Festival is the highlight of the year for student musicians. Each high school and/or community has representation with their participation in the All-State Parade. It is the SINGLE activity which has over 5,000 students involved from the entire state! A great day!

The music festival itself, has 4 performing groups . . . band, orchestra chorus and jazz ensemble. The music educators of the state also sponsor soloist participation in a scholarship competition . . . the ONLY state to do so and this makes Vermont very unique.

Students audition for the festival on two Saturdays in January, anxiously await the results through February and upon acceptance the festival itself in May.

RHS was represented in chorus by: Kathy Keefe, '93; Wendy Webb, '92; Jeremy Barbagallo, '92; Danielle Bower, '92; Susan DellVeneri, '92; Meredith Ellis, '94; Patrick Donnelly, '92; Thomas Townshend, '93; Jennifer Lane, '95. In Band: Sam Hooker, '92-Trombone; Tanya Bedard, '93-Bass Clarinet; Kyle Bergquist, '94-Trumpet; April Butterfield, '95-Oboe.

The Chambers group, a choir of about 25 talented singers, had a very productive year.

They traveled to the Rotary Club for Christmas Caroling, where they were graciously welcomed. Their performance was greatly appreciated as well.

The Chambers Singers also performed Christmas Carols at the Longfellow complex for elderly folks. Again, they were greeted enthusiastically and enjoyed their visit.

Their performance at the Holiday concert was a big success. Several of the pieces performed were "Amen", "Set Me As A Seal", and the traditional "Halelujah Chorus", for which two of last years seniors, Greg Crowther and Lynn Songdahl joined in to sing.

This year RHS will be represented in the Band by Tanya Bedard, '93 on Bass Clarinet; Dan Notte, '92; Michelle Barrett, '92; Jeremy Barbagallo, '92; James Duval, '93; Michael DiMichele, '94; Meredith Ellis, '94; Patrick Donnelly, '92.

Tri-M Music Honor Society

PRESIDENT: Sonja Merkle '92

VICE-PRESIDENT: Samuel Hooker '92

SECRETARY: Susan Schneider '93

TREASURER: Patrick Donnelly '92

This is the fourth year of existence for Tri-M. We have had a very involved year trying to bring forward the music department to the public eye in different ways.

Tri-M is a national organization of students (over 60,000) who are interested in promoting their home school music programs and have a dedication to bringing the awareness of music education to the community. Once a student is inducted for membership he/she is a member for life . . . long after RHS.

This year student interest brought about the creation of a monthly newsletter, the RHS MUSIC REVIEW, distributed to all students, faculty, and parents of students involved in the music program in the Rutland Jr./Sr. High School.

In December, we ushered for the Vermont Symphony Orchestra's concert at Castleton State College Fine Arts Center and finalized our apprentice members.

In March (Music In Our Schools Month) we ushered for the Symphony again at Grace Congregational Church and also presented programs about music to the elementary schools.

April brought the induction of all apprentices and May a "Clean-Up" afternoon of room 19.

Rutland Historical Society and the Rutland Free Library.

PRESIDENT: Michelle Barrett '92

VICE-PRESIDENT: Alison Blicharz '93

SECRETARY/TREASURER: Vicky Turner, '92

This year started out with a BANG!! School had just begun and we had our first home game to get ready for and then things just took off ... culminating with the State Championship Game in Essex.

In October, RHS again received recognition as the best costumed unit in the Halloween Parade for the 4th year with its entry ... Under the Sea ... complete with Little Mermaids by the Cheerleaders, Waves by the Flag Team, Scuttles by the Majorettes and all kinds of sea creatures by the Band!!!

December brought our annual Holiday Concert which was well attended along with individual preparations for District, All-New England and All-State auditions.

In January, we received word that Justin Sheehy (Class of '93) had been selected to represent RHS and the state of Vermont at the grand opening of EURODISNEY in Paris, France! Super recognition for Justin as well as Rutland in general.

Fund raising for the band trip to NYC to see "Phantom of the Opera" as well as other sights took up most of the month of February.

March is the national Music in our Schools Month and the RHS Band gave a concert with all the other instrumental groups in the city as well as going on tour of the elementary schools to promote music in our schools!

April brought preparations for the All-State and Loyalty Day Parades as well as an invitation to perform at the prestigious Crane School of Music in Potsdam, NY. RHS was one of only six bands from the east coast invited for this terrific experience.

May was busy with parades and our final Spring performance as well as the long anticipated trip to NYC, awards dessert and preparations for graduation. All in all, a VERY busy year!

Green Mountain District Instrumental Music Festival

The District Music Festival is held every year at Castleton State College. RHS had 29 students audition for the festival in Middlebury during November. Our major fundraising effort was a school wide Easter Egg Hunt the Friday before spring break. The monies from this were used to finance an end of the year event as determined by their leadership, Erica Campbell (president), Tony Moriglioni (vice-president), Sam Hooker (secretary-treasurer) and the rest of the club's twenty members.

Girls' State

Juniors who participated in Girls' or Boys' State spent one week in Montrelier during the past summer with students from all over Vermont. Students learned about government and politics, and put their knowledge to use by settling up a state government. Students spent a day in the State House simulating the legislature by creating bills and debating laws.

The Red and White spent a busy year publishing five editions of the school paper. For the fourth year the staff published its work in-house on the school's computer equipment. Once again the success of the Red and White was due to a small nucleus of students who met on a regular basis and who faithfully submitted these written assignments. Approximately 500 copies were distributed for each issue with the exception of the final edition of the Red and White where copies were given to all seniors at graduation.

Art Club

Picture perfect!!

The Art Club was created for students interested in the visual arts. The club encourages its members to either develop their own talents or work as a group on community projects. Some of the projects the group has excelled in have been First Night, Spirit Day, and the Halloween Parade. For the past three years the Art Club has won First Place in the Parade's float contest. This year's entry was the "Video Blob" which made the front page of the Rutland Herald.

Students Against Drunk Driving

The RHS Peer Leaders are a group of students who meet in the form of a course entitled "Communications in the Process of Change." The four sections of this course each generate projects which serve the school or community. This year's projects included the Halloween Hobgoblin Hike which raised money for the American Cancer Society, a dinner to honor RHS faculty, a Halloween Haunted House to support the Rutland County Humane Society, the "We Dare Ya" game show, and the Seventh Annual Helping Hands Carnival that partially funds substance abuse programs throughout the school district. In addition to participation in these projects, each Peer Leader participates in one or more of the following satellite programs: SADD, GMTI, Diversion, Mediation, Big Friends, NSSP, and the SST Program.

Students Against Drunk Driving is a group dedicated to providing positive alternatives to drinking. They are involved in numerous activities throughout the school year. They run the school store, Red Ribbon Week at the high school and are involved in the annual Prevention Carnival. This year they conducted two lock-ins as positive alternatives for students.

Mediation

Six of our Peer Leaders were trained by FUS (Family Unity Services Systems) this year to be mediators. The training was 32 hours. The students trained to work with adult mediators through FUS to help mediate problems between parents and their kids. The program has had great success in helping to keep young people with their families and communicating.

NSSP

This year we sent three students to a national conference in St. Cloud, Minnesota to participate in the National Student Safety Program. Former RHS student, Kristen Carbine, Seniors Jim Langan and Theresa O'Connor participated in the week long safety seminar. Rutland High received a National Safety Award for their outstanding participation during the school year. New concepts and strategies ranging from drugs and alcohol to school bus safety were incorporated in many Peer Leader programs this year.

GMTI

Green Mountain Teen Institute is a self awareness program dealing with alternatives to the abuse of drugs and alcohol by increasing self-esteem. We have sponsored many activities such as the non-alcoholic holiday beverages, Bring Your Own Banana, and the Warm Fuzzies. GMTI's annual commitment to the Helping Hands Carnival gives the program the funding to send in-coming members to the summer training.

Diversion

Diversion is a community based program which is an alternative to the judicial system. It is designed to create an awareness on the part of the offender as to the nature and cause of the offense. Through Diversion the offender and the community are given an opportunity to deal effectively with the situation in an effort to deter further criminal behavior. The cases are heard by members of a review board. Approximately 20 Peer leaders sit on a case review.

Big Friends

Big Friends is a program that matches Peer Leaders and GMTI students from the high school with younger students. The older students work in teams of 9 or 10. They are matched with students and some times they work together as a group and some times they work individually. The groups meet after school. This year nearly 50 older students participated in the program. They worked with groups from Lincoln, Northeast, and Northwest elementary schools and the Junior High. Over 70 younger students got a Big Friend this year.

S.S.T. Program

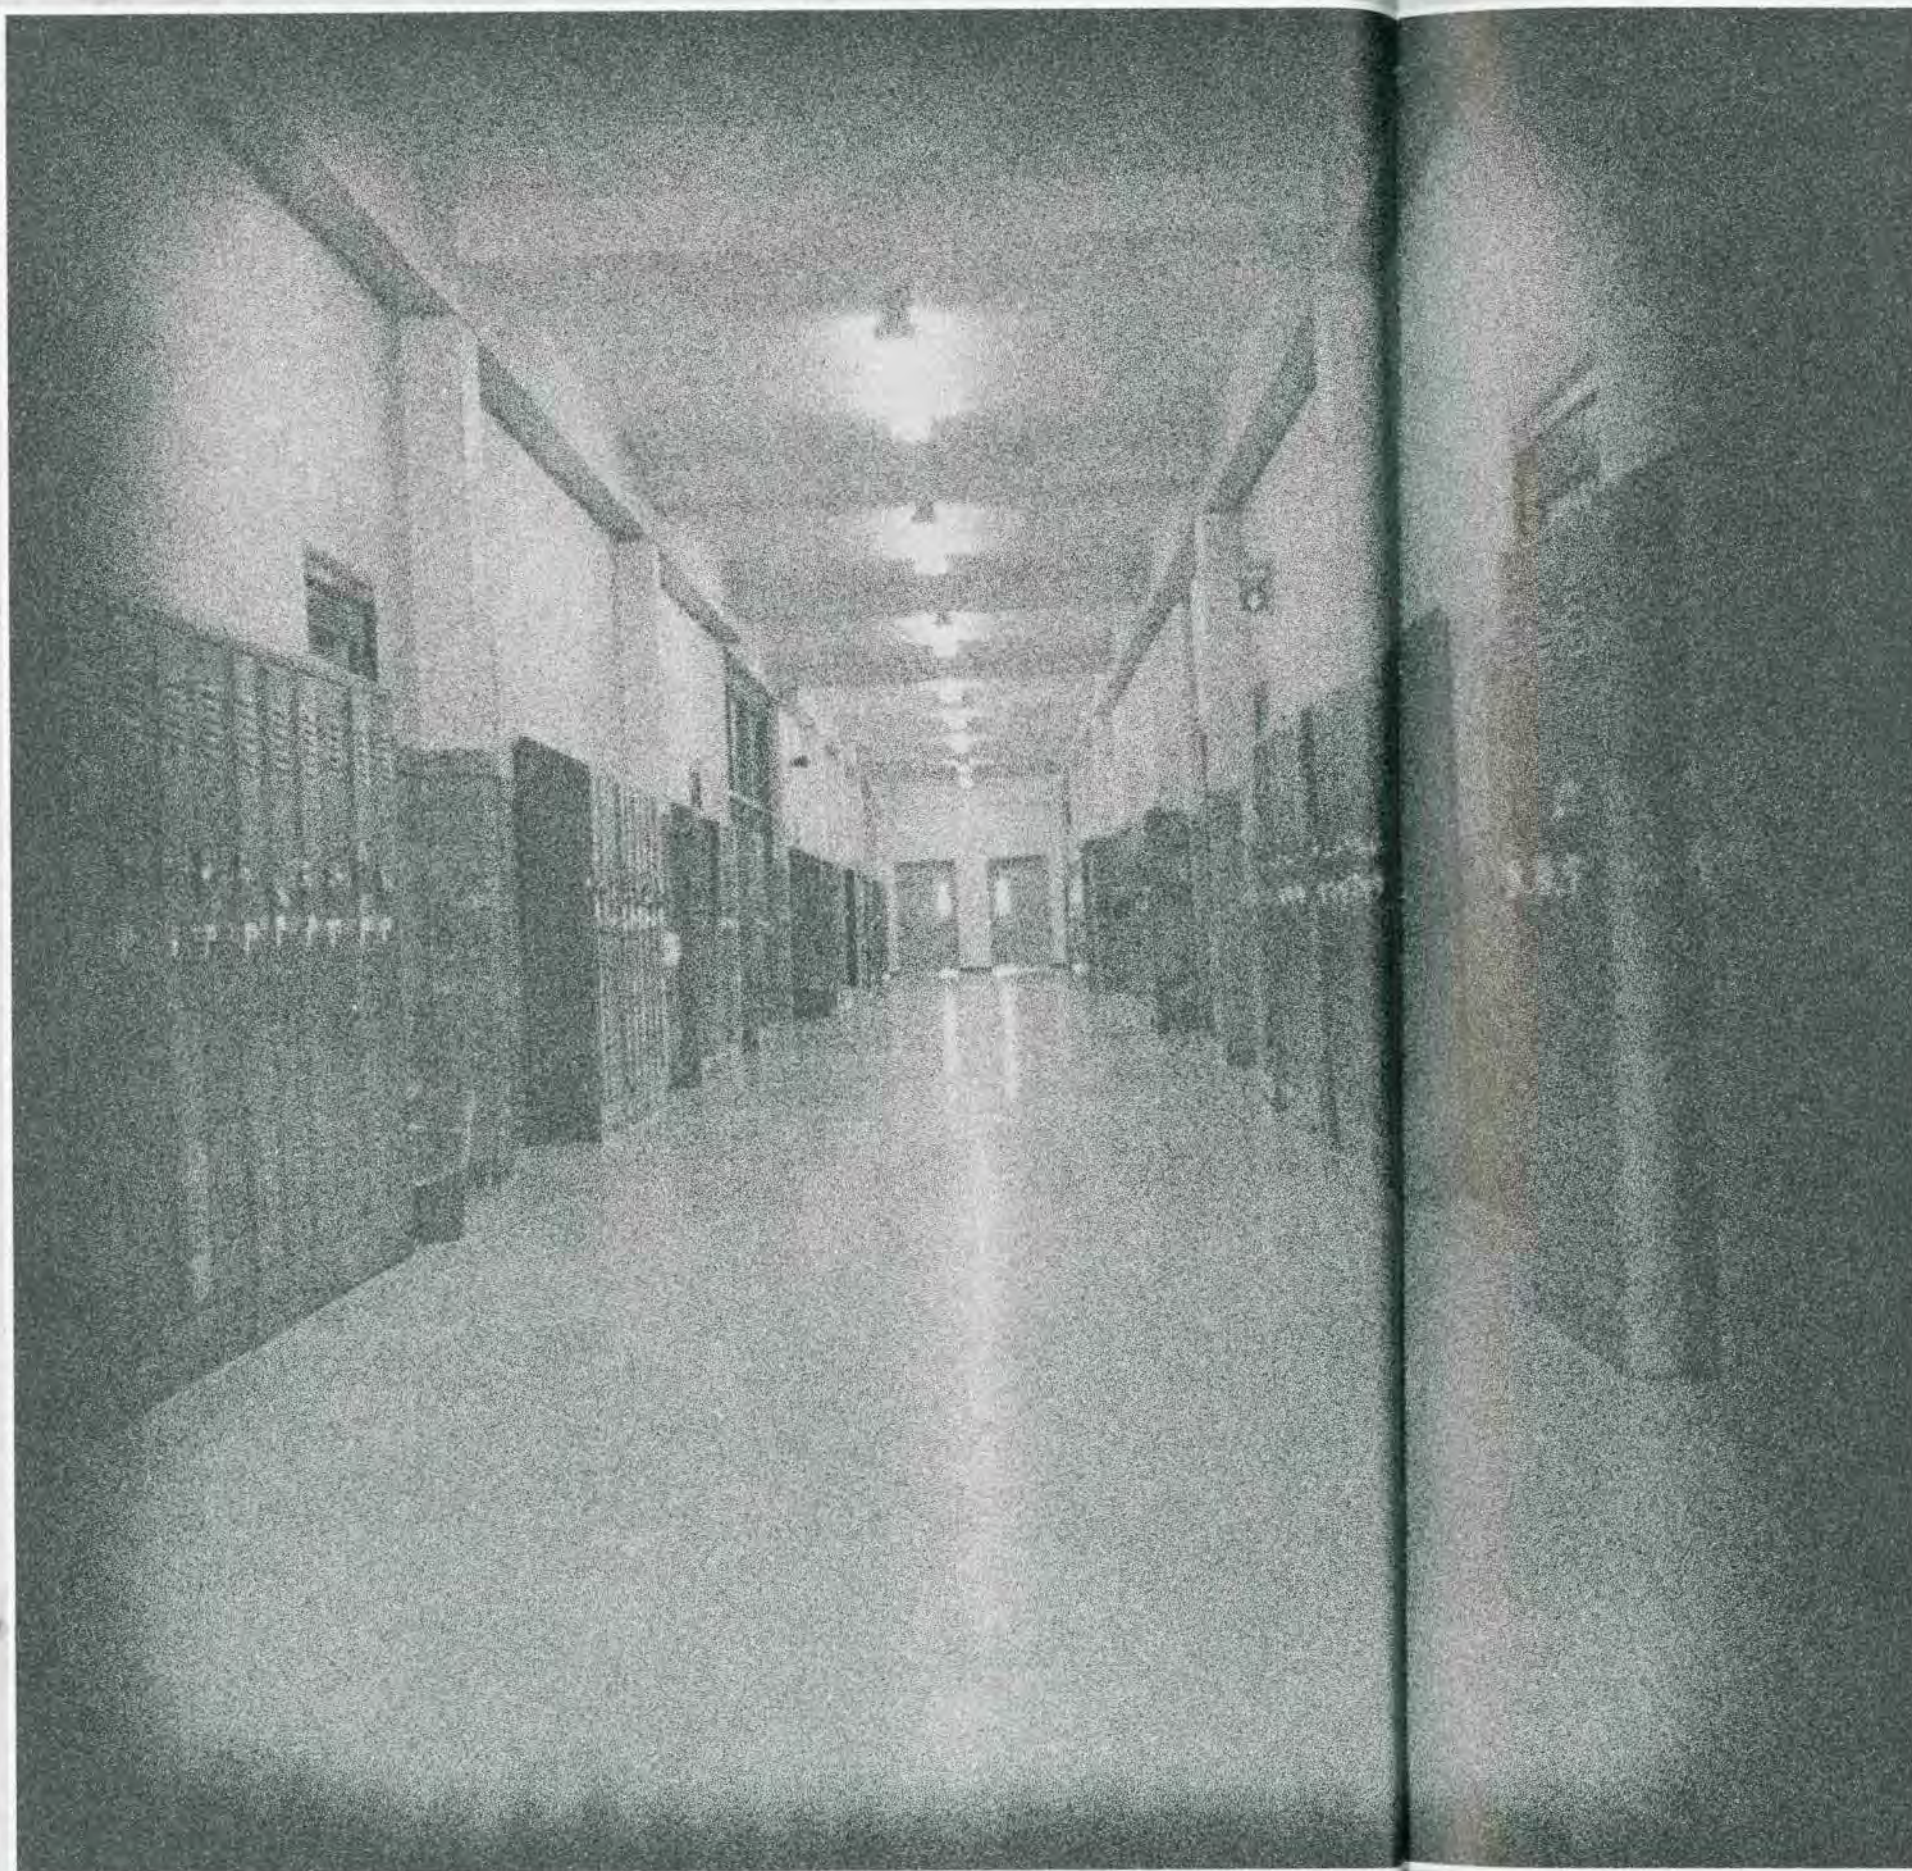

Four high school seniors, Theresa O'Connor, Erica Connor, Matt Mackin, and Jeff Paul worked all year with Bill Herrington, Home-School Coordinator, teaching social skills to fourth graders at Northwest Elementary School. The Social Skills Training Program was presented in 8 week cycles to four different groups of students. The program focused on listening skills, appreciation of differences, decision making, and goal setting. A family night was held at the end of each 8 week program for the students to teach and demonstrate their newly acquired social skills to their parents.

"Preparing You For Change . . ."

The Class of 1992:

Throughout the four years of secondary school which you have experienced, you have had many opportunities to "test the waters". Results have often provided you with the need to face new challenges.

Indeed, this high spirited Class of 1992 has the potential to dare, to risk and to go further than mere expectations.

I wish you well as you pursue your dreams.

Sincerely,
John R. Poljacik
